NOTICE TO MARINERS
SAVANNAH RIVER

This is to advise that the Augusta Port Authority and the City of Augusta-Richmond County will be sponsoring the 8th Annual Head of the South Rowing Regatta on the Savannah River between River Mile 199.2 and River Mile 196.45 (approximate latitude 33°28'00" north and longitude 81°56'00" west). The site and course layout (temporary buoys, floating docks, and communication links) are shown on the enclosed maps and plans.

This event, which includes course installation, is scheduled to start at 7:00 a.m. on Friday, November 12, 2004, and end at 6:00 p.m. on Saturday, November 13, 2004. The temporary structures will remain in place between the specific dates and times and will be removed no later than December 8, 2004.

This race is being permitted by the United States Coast Guard (USCG). The USCG will "regulate" the Savannah River in the area of the rowing regatta. In order that the race may be conducted safely, vessel owners and operators are requested to remain clear of any vessels and patrol boats involved in the race activities. Signs will be posted at the affected boat ramps on the Georgia and South Carolina sides of the River.

Anyone desiring further information may contact Mr. Edward Gunter, Regatta Director, Head of the South at (706) 821-2870, or the Coast Guard Group-Charleston, South Carolina, at (843) 724-7616.
